In response to my request for a Material Safety Data Sheet for Nutri-Ved O.F.A. Gel caps, I have received a letter from the manufacturer, stating that MSDS are not required, as this product is classified as a nutritional supplement and contains no hazardous ingredients.

Nutrived O.F.A. Gel Caps are clearly labeled for their intended uses by a veterinarian, and all precautions and warnings, if any, are readily visible.

Therefore, to the best of my knowledge, Nutrived O.F.A. Gel Caps are exempt from the law which requires MSDS on various products.

Should you have any questions, please feel free to contact the Vedco office.

Sincerely,

Dana DeWar
Vedco, Inc.
