

## SAFETY DATA SHEETS

**This SDS packet was issued with item:**

078946858

**The safety data sheets (SDS) in this packet apply to the individual products listed below. Please refer to invoice for specific item number(s).**

078946845 078946848 078946849 078946851 078946853 078946856 078946857

SECTION 1: IDENTIFICATION	
<b>1.1 Product identifier</b>	
<b>Product name</b>	Rederox™ (deracoxib) Chewable Tablets 12 mg, 25 mg, 75 mg and 100 mg
<b>Synonyms</b>	Not available
<b>Proper shipping name</b>	Not available
<b>Other means of identification</b>	None
<b>1.2 Relevant identified uses of the substances or mixture and uses advised against</b>	
<b>Recommended uses</b>	For the control of pain and inflammation associated with osteoarthritis in dogs, for the control of postoperative pain and inflammation associated with orthopedic surgery in dogs and for the control of postoperative pain and inflammation associated with dental surgery in dogs.  For professional use only.  Federal law restricts this drug to be used by or on the order of a licensed veterinarian.
<b>Uses advised against</b>	Not for human use, do not use in cats
<b>1.3 Details of the supplier of the substance or mixture</b>	
<b>Registered company name</b>	Dechra Veterinary Products
<b>Address</b>	7015 College Blvd, Suite 525 Overland Park KS 66211 USA
<b>Telephone</b>	866-933-2472
<b>Fax</b>	Not available
<b>Email</b>	Not available
<b>1.4 Emergency telephone numbers</b>	
<b>Dechra (US)</b>	866-933-2472

## SECTION 2: HAZARDS IDENTIFICATION

### 2.1 Classification of the substance or mixture

#### Classification (GHS-US)

This product is a drug, as defined by the US Food, Drug, and Cosmetic Act (21 U.S.C. 301 et seq.). It is in solid, final form for direct administration to the patient. Therefore, it is exempt from the US 2012 Hazard Communication Standard, as defined in the 29 CFR 1910.1200(b)(6)(vii).

### 2.2 Label elements

No labeling applicable

### 2.3 Other Hazards

No additional information available

### 2.4 Unknown Acute Toxicity (GHS-US)

No data available

## SECTION 3: COMPOSITION/INFORMATION ON THE INGREDIENTS

### 3.1 Substances

See section below for composition of Mixtures.

### 3.2 Mixtures

CAS No	Approximate quantity	Name
169590-41-4	12/25/75/100 mg	<u>deracoxib</u>
not available	q.s.	<u>non-hazardous ingredients</u>

## SECTION 4: FIRST AID MEASURES

### 4.1 Description of first aid measures

#### General advice:

If you feel unwell, seek medical advice.

#### Eye contact:

Rinse thoroughly with plenty of water for at least 15 minutes and consult a physician if irritation persist.

#### Skin contact:

Wash off with soap and plenty of water. Consult a physician if irritation persist.

#### Inhalation:

The risk of inhalation exposure is negligible when product is in its final packaged form. If exposed and become symptomatic, move to fresh air and get medical attention if symptoms persist.

#### Ingestion:

Rinse mouth with water. Consult a physician.

### 4.2 Most important symptoms and effects, both acute and delayed

#### Inhalation:

Due to the product's final form, inhalation is an unlikely route of exposure.

<b>Skin contact:</b> None expected under normal conditions of use,
<b>Eye contact:</b> None expected under normal conditions of use.
<b>Ingestion:</b> Ingestion of the product is likely to be harmful or have adverse effects.
<b>Chronic symptoms:</b> None expected under normal conditions of use.
<b>4.3 Indication of any immediate medical attention and special treatment needed:</b> Treat symptomatically.

<b>SECTION 5: FIRE FIGHTING MEASURES</b>
<b>5.1 Extinguishing media</b> <b>Suitable extinguishing media:</b> Use extinguishing media appropriate for surrounding fire. <b>Unsuitable extinguishing media:</b> None known.
<b>5.2 Special hazards arising from the substance or mixture</b> <b>Fire hazard:</b> Not considered flammable. <b>Explosion hazard:</b> Product itself is not explosive. <b>Reactivity:</b> Hazardous reactions will not occur under normal conditions. <b>Special fire fighting procedure:</b> Fire may cause release of carbon monoxide, carbon dioxide. In the event of fire, wear self-contained breathing apparatus. Prevent fire. Prevent water from contaminating surface water or the ground water system.
<b>5.3 Advice for fire-fighters:</b> <b>Precautionary measures fire:</b> Exercise caution when fighting any chemical fire. <b>Firefighting instructions:</b> Use water spray or fog for cooling exposed containers. <b>Protection during firefighting:</b> Do not enter fire area without proper protective equipment, including respiratory protection.

<b>SECTION 6: ACCIDENTAL RELEASE MEASURES</b>
<b>6.1 Personal precautions, protective equipment and emergency procedures</b> <b>General measures:</b> Avoid unnecessary contact with skin, eyes and clothing.
<b>6.1.1. For non-emergency personnel</b> <b>Protective equipment:</b> Use appropriate personal protection equipment (PPE). <b>Emergency procedures:</b> Evacuate unnecessary personnel.
<b>6.1.2. For emergency responders</b> <b>Protective equipment:</b> Equip cleanup crew with proper protection. <b>Emergency procedures:</b> Upon arrival at the scene, a first responder is expected to recognize the presence of dangerous goods, protect oneself and the public, secure the area, and call for the assistance of trained personnel as soon as conditions permit.
<b>6.2 Environmental precautions</b> Avoid release to environment.
<b>6.3 Methods and material for containment and cleaning up</b>

<b>For containment</b>	Contain and collect as any solid.
<b>Methods for cleaning up</b>	Dispose of waste in accordance with local, state and federal regulations.
<b>6.4 References to other sections</b>	
See Heading 8. Exposure controls and personal protection. For further information refer to section 13.	

## SECTION 7: HANDLING AND STORAGE

### 7.1 Precautions for safe handling

<b>Hygiene measures</b>	Avoid dust formation. Avoid contact with skin, eyes and clothing. Take measures to prevent the buildup of electrostatic charge. Keep away from open flames, hot surfaces and sources of ignition. Use appropriate personal protective equipment when handling and observe good personal hygiene measures after handling.
-------------------------	--

### 7.2 Conditions for safe storage, including any incompatibilities

<b>Technical measures</b>	Comply with applicable regulations.
<b>Storage conditions</b>	Store at 20° to 25°C (68° to 77°F), excursions permitted between 15° and 30°C (between 59° and 86°F). [See USP controlled room temperature]. Store tablets in a tight container only.

### 7.3 Specific end use(s)

Non-steroidal anti-inflammatory drug. For professional use only. Federal (U.S.A.) law restricts this drug to be used by or on the order of a licensed veterinarian.	
---	--

## SECTION 8: EXPOSURE CONTROLS / PERSONAL PROTECTION

### 8.1 Control parameters

For substances listed in section 3 that are not listed here, there are no established exposure limits from the manufacturer, supplier, importer, or the appropriate advisory agency including: ACGIH (TLV), NIOSH (REL), or OSHA (PEL).	
---	--

### 8.2 Exposure controls

<b>Appropriate engineering controls</b>	None required under normal operating condition.
<b>Personal protective equipment</b>	Not generally required. The use of personal protective equipment may be necessary as conditions warrant.
<b>Hand protection</b>	None required under normal operating condition.
<b>Eye protection</b>	None required under normal operating condition.
<b>Skin and body protection</b>	Wear suitable protective clothing if skin contact with drug product is possible.
<b>Respiratory protection</b>	No protection equipment is needed under normal use conditions. If exposure limits are exceeded or irritation is experienced, ventilation and excavation may be required.

## SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES

### 9.1 Information on basic physical and chemical properties

<b>Appearance:</b> Light brown colored tablet. <b>Physical state:</b> Solid <b>Odor:</b> Not Available <b>Odor threshold:</b> Not Available <b>pH (as supplied):</b> Not Available <b>Melting point / freezing point (degrees C):</b> Not Available <b>Initial boiling point and boiling range:</b> Not Available <b>Flash point:</b> Not Applicable <b>Evaporation rate:</b> Not Available <b>Flammability:</b> Not Available <b>Upper / lower flammability or explosive limits:</b> Not Available <b>Vapor pressure:</b> Not Available <b>Relative density (at degrees C):</b> Not Available <b>Solubility in water and solvents (mg/l):</b> Not Available	<b>Vapor density:</b> Not Available <b>Auto ignition temperature (degrees C):</b> Not Applicable <b>Decomposition temperature (degrees C):</b> Not Available <b>Viscosity (degrees C):</b> Not Available <b>Explosive properties:</b> None <b>Oxidizing properties:</b> None <b>Partition coefficient:</b> Not Available <b>Molecular weight:</b> Not Applicable <b>Taste:</b> Not Available <b>Surface tension:</b> Not Available <b>Volatile component:</b> Not Available <b>Gas group:</b> Not Available <b>pH as a solution:</b> Not Available <b>VOC g/L:</b> Not Available <b>Specific gravity @ 20 degrees C (water = 1):</b> Not Available
---	--

### 9.2 Other information

No additional information available

## 10: REACTIVITY AND STABILITY

<b>10.1 Reactivity</b>	Hazardous reactions will not occur under normal conditions.
<b>10.2 Chemical stability</b>	Stable under recommended handling and storage conditions.
<b>10.3 Possibility of hazardous reactions</b>	None under normal condition.
<b>10.4 Conditions to avoid</b>	None.
<b>10.5 Hazardous decomposition products</b>	Decomposition will not occur under normal conditions

## SECTION 11: TOXICOLOGICAL INFORMATION

<b>Acute toxicity</b>	Oral LD <sub>50</sub> (rat) >600 mg/kg
<b>Local effects</b>	Not classified
<b>Reproductive effects</b>	Not classified
<b>Mutagenicity</b>	Not classified

## SECTION 12: ECOLOGICAL INFORMATION

**12.1 Toxicity:** No additional information available

**12.2 Persistence and degradability:** No additional information available

**12.3 Bioaccumulative potential:** No additional information available

**12.4 Mobility in soil:** No additional information available

**12.5 Other adverse effects:** No additional information available

## SECTION 13: DISPOSAL CONSIDERATIONS

### 13.1 Waste treatment methods

**Waste Disposal Recommendations:** Dispose of waste material in accordance with all local, regional, national, and international regulations.

## SECTION 14: TRANSPORT INFORMATION

Transport according to all local, state and federal regulation

## SECTION 15: REGULATORY INFORMATION

No additional information available

## SECTION 16: OTHER INFORMATION

Revision date: 20 October 2021

Revision number 1.0

The information provided in this Safety Data Sheet has been compiled by Dechra Veterinary Products LLC using a number of different sources, and is correct to the best of its knowledge, information and belief as of the date of its publication. However, Dechra Veterinary Products LLC makes no warranties, express or implied, in relation to the information set out in this SDS, including, without limitation, as to its accuracy/completeness. The information provided is not a quality specification, and is prepared by way of guidance as to the safe handling, use, processing, storage, transportation, disposal and release of the relevant products referred to. The user is responsible for determining whether or not the product is fit for any particular purpose and/or suitable for the user's proposed method of use and application.
