Subject: MSDS SHEETS FOR NICH PRODUCT

Please review the two letters and the EPA Guide lines on the needs for MSDS Sheets in the Physicans offices.

Our manufactures and Nich Marketers agree that our products Sorb-A-Tox, UAA Gel, Clear Cal-50 and Quick-Start follow the EPA rules. These products contain no toxic substances and are packaged in the final dosage form. The regulation seems to be clear that MSDS Sheets are not required for Nich products.
