Sterile Saline Solution

NTI #: 18-807 Rev. Date: 15NOV17

	Product and Company	Product:	Sterile Saline Solution
	Identification:	Company:	Nova-Tech, Inc.
		Address:	4705 Gold Core Road, Grand Island, NE 68801
		Telephone:	308-381-8841
		Fax:	308-381-6038
		Recommended	For use in replacement therapy of sodium, chloride, and water
		Use:	which may become depleted in many diseases. Because this
			solution is isotonic with body fluids, it may also be used as a
			solvent of diluent for antibiotics and other pharmaceuticals and
			biologicals where compatible, and for washing mucous
			membranes and other tissue surfaces.
		Restrictions on	This product contains no preservatives. Use entire contents
		Use:	when first opened. Discard any unused solution.
2.	Hazards Identification:		iew: Health injuries are not known or expected under normal use.
	Hazard Biotogram:	Potential Health E	s: H303; H315; H320
	Hazard Pictogram:		re: Ingestion, inhalation, skin contact, or eye contact.
	~	Eyes: May cause e	
		Skin: May cause s	
	~	Inhalation: Not kn	
	•		on may cause vomiting and medical problems.
	Signal Word: Warning		nental effects: Ecological injuries are not known or expected
		under normal use.

6.	Accidental Release Measures:	 Personnel Precautions: Keep unnecessary personnel away. Environmental Precautions: Avoid discharge into drains, water courses, or on ground. Methods for containment: If safe to do so, stop source of leak. Methods for Cleaning Up: For small spillage: Absorb with sand or other non-combustible absorbent material and place in labeled containers for later disposal. Large spillage: Dam and absorb spillage with sand, sawdust, or other absorbent material. Following product recovery and placement in labeled disposal containers, flush area with water and clean thoroughly. 		
7.	Handling and Storage:	 Handling: Avoid contact with eyes, skin, and clothing. Handle in accordance with good industrial hygiene and safety practice. Storage: Use care in handling/storage. Store in tightly closed containers in a dry cool place per label directions. 		
8.	Exposure Controls / Personal Protection:	Engineering Controls: Provide adequate ventilation Personal Protective Equipment Eye / Face Protection: Safety glasses. Skin Protection: Gloves. Respiratory Protection: Not required for normal use of this material. General Hygiene Considerations: Handle in accordance with good industrial hygiene and safety practice.
