SECTION X – Toxicology Information

Safety Data Sheet

No Data Available.								
Carcinogenicity:	NTP?	IARC	OSHA Regulated?					
No Data Available.	No	Monographs?	No					
		No						
SECTION XI – Ecological Information								
No Data Available.								
SECTION XII – Disposal Condition								
Dispose of in-accordance with local, State and Federal regulations.								

SECTION XIII – Transport Information

Land Transport (US DOT): This material is not subject to the transportation regulations of DOT, ICAO, IMO, and the ADR.

SECTION XIV – Regulatory Information

This is a food product and is exempt from having a SDS.

SECTION XV – Other Information

Disclaimer of Liability

The information contained herein is, to the best of the originator or manufacturer's knowledge and belief, accurate and reliable as of the date of preparation of this document. This product is intended for use by households or users of Vet Classics animal products. It is not intended for commercial, institutional or industrial use. The purpose of this SDS is to provide information to manufacturing, warehouse, transport and emergency response personnel concerned with the making, shipping, handling, storing or cleanup of relatively large quantities of this product. Alteration of its composition or characteristics by concentration, evaporation, mixing with other substances, or other misuse may present hazards not specifically addressed herein and which are beyond the control of the manufacturer or distributor are disavowed. These data are offered in good faith as typical values and not as product specifications. No expressed or implied warranty is hereby made. The data and recommended industrial hygiene and safe handling procedures are believed to be generally applicable and are obtained by testing and from available scientific and safety sources. This product should be transported and stored following precautions declared on this SDS. This SDS is to be used only for this product. Upon shipment of this product from manufacturer's warehouse utilizing transport not owned or operated by manufacturer, the conditions of handling, storage, use and disposal of this product are beyond control of manufacturer and may be beyond manufacturer's knowledge. For this and other reasons, manufacturer assumes no responsibility and expressly disclaims liability for loss, damage, fines or other expenses arising out of, or in any way connected with, handling, storage, use or disposal of the product employing unsafe or unlawful practices.

NO INFORMATION BEYOND THIS POINT
