Subj.: MSDS Request

This is in response to your request for Material Safety Data Sheets for products that are manufactured or distributed by Medline Industries, Inc., as follows: **MDS198154- Aloetouch Powder-Free Latex Exam Gloves**

The products manufactured or distributed by Medline Industries, Inc., are regulated or sold as articles. Products of this type are not subject to the Hazard Communication Standard (29 CFR 1910.1200). This exemption is set forth in the following sections:

Section b (6) (v) Articles (as that term is defined in paragraph (c) of this section;

Section b (6) (ix) Any consumer product or hazardous substance, as those terms are defined in the Consumer Product Safety Act (15 U.S.C. 1261 *et seq.*) and Federal Hazardous Substance Act (15 U.S.C. 1261 *et seq.*) respectively, where the employer can demonstrate it is used in the work place in the same manner as normal consumer use, and which use results in a duration and frequency of exposure which is not greater than exposures by consumers.

Section (c) *Definitions.*

*Article* means a manufactured item other than a fluid or particle: (i) which is formed to a specific shape or design during manufacture; (ii) which has end use function(s) dependent in whole or in part upon its shape or design during end use; and (iii) which under normal conditions of use does not release more than very small quantities, e.g., minute or trace amounts of a hazardous chemical (as determined under paragraph (d) of this section), and does not pose a physical hazard or health risk to employees

Every effort is made to provide products which are properly labeled and safe for their intended use. It is the user's responsibility both to determine safe conditions for use of this product and assume liability for loss, injury, damage or expense resulting from any misuse of the product.

These products, in their marketed packaging, are generally not considered hazardous under normal conditions of use when used in accordance with labeling instructions.

Sincerely,

Lara N. Simmons  
Medline Industries, Inc.
